

DON'S AUTO BODY

Getting even **GREENER!**

- 🌱 We have switched to NEW water based paint with a urethane clear coat, which releases fewer chemicals into our atmosphere, creates less waste, and is still backed by our Lifetime Warranty!
- 🌱 For years, Don's has been at the forefront of eco-friendly practices in the auto body industry; we are committed to decreasing our impact on the environment.
- 🌱 Here at Don's, we are in the continuous process of updating our equipment to achieve maximum energy conservation and pollution prevention.
- 🌱 We take measures to safeguard against wasting Earth's limited resources including recycling:

- Paper
- Cardboard
- Sheet Metal
- Antifreeze
- Freon
- Paint & Filters
- Batteries
- Oil
- Ink & Toner

We look *forward* to working with you in creating a greener today for a green tomorrow.
